

Lorenzo Fedrizzi
Short CV

Full Professor of Materials Science and Technology at the University of Udine since 2003.
From 1998 to 2003, he was Associate Professor of Materials Science and Technology at the University of Rome “La Sapienza”.
From 1989 to 1997, he was a research fellow at the University of Trento.
From 1983 to 1988, he was a researcher at the Institute for Scientific and Technological Research (IRST) in Trento.

He was awarded Doctor Honoris Causa in “Applied Sciences” by the Faculté Polytechnique de Mons (Belgium) in September 2008.
Awarded the European Federation of Corrosion (EFC) Medal in Montpellier in September 2016 during the EUROCORR 2016 International Conference.

Head of the Department of Chemical Sciences and Technologies at the University of Udine since 2009 and of the Department of Chemistry, Physics and Environment from 2011 to 2013.

Vice-President of the EFC in 2011 and 2012, then President of the European Federation of Corrosion (EFC) in 2013 and 2014.
Chair of the ‘Coatings’ Working Party of the European Federation of Corrosion (EFC) from 2001 to 2011.
