

## **Dr. Mario Gussago**

After graduating, Doctor Mario Gussago joined Arthur Andersen & Co in the Consulting Division, where he became Senior Manager for the Manufacturing Industry. In the nineties he was called to manage a Company world leader in the non-ferrous metal forging Industry; after a decade he led the takeover of Fomec Spa, a well-known Italian open die forging Company, where he was nominated CEO, his actual position.

Since 2008 he is Member of the General Council of Federacciai and represents as President the Italian Forgemasters.
